

Technical drawings of the 1000 Series Firearm Mounting System.

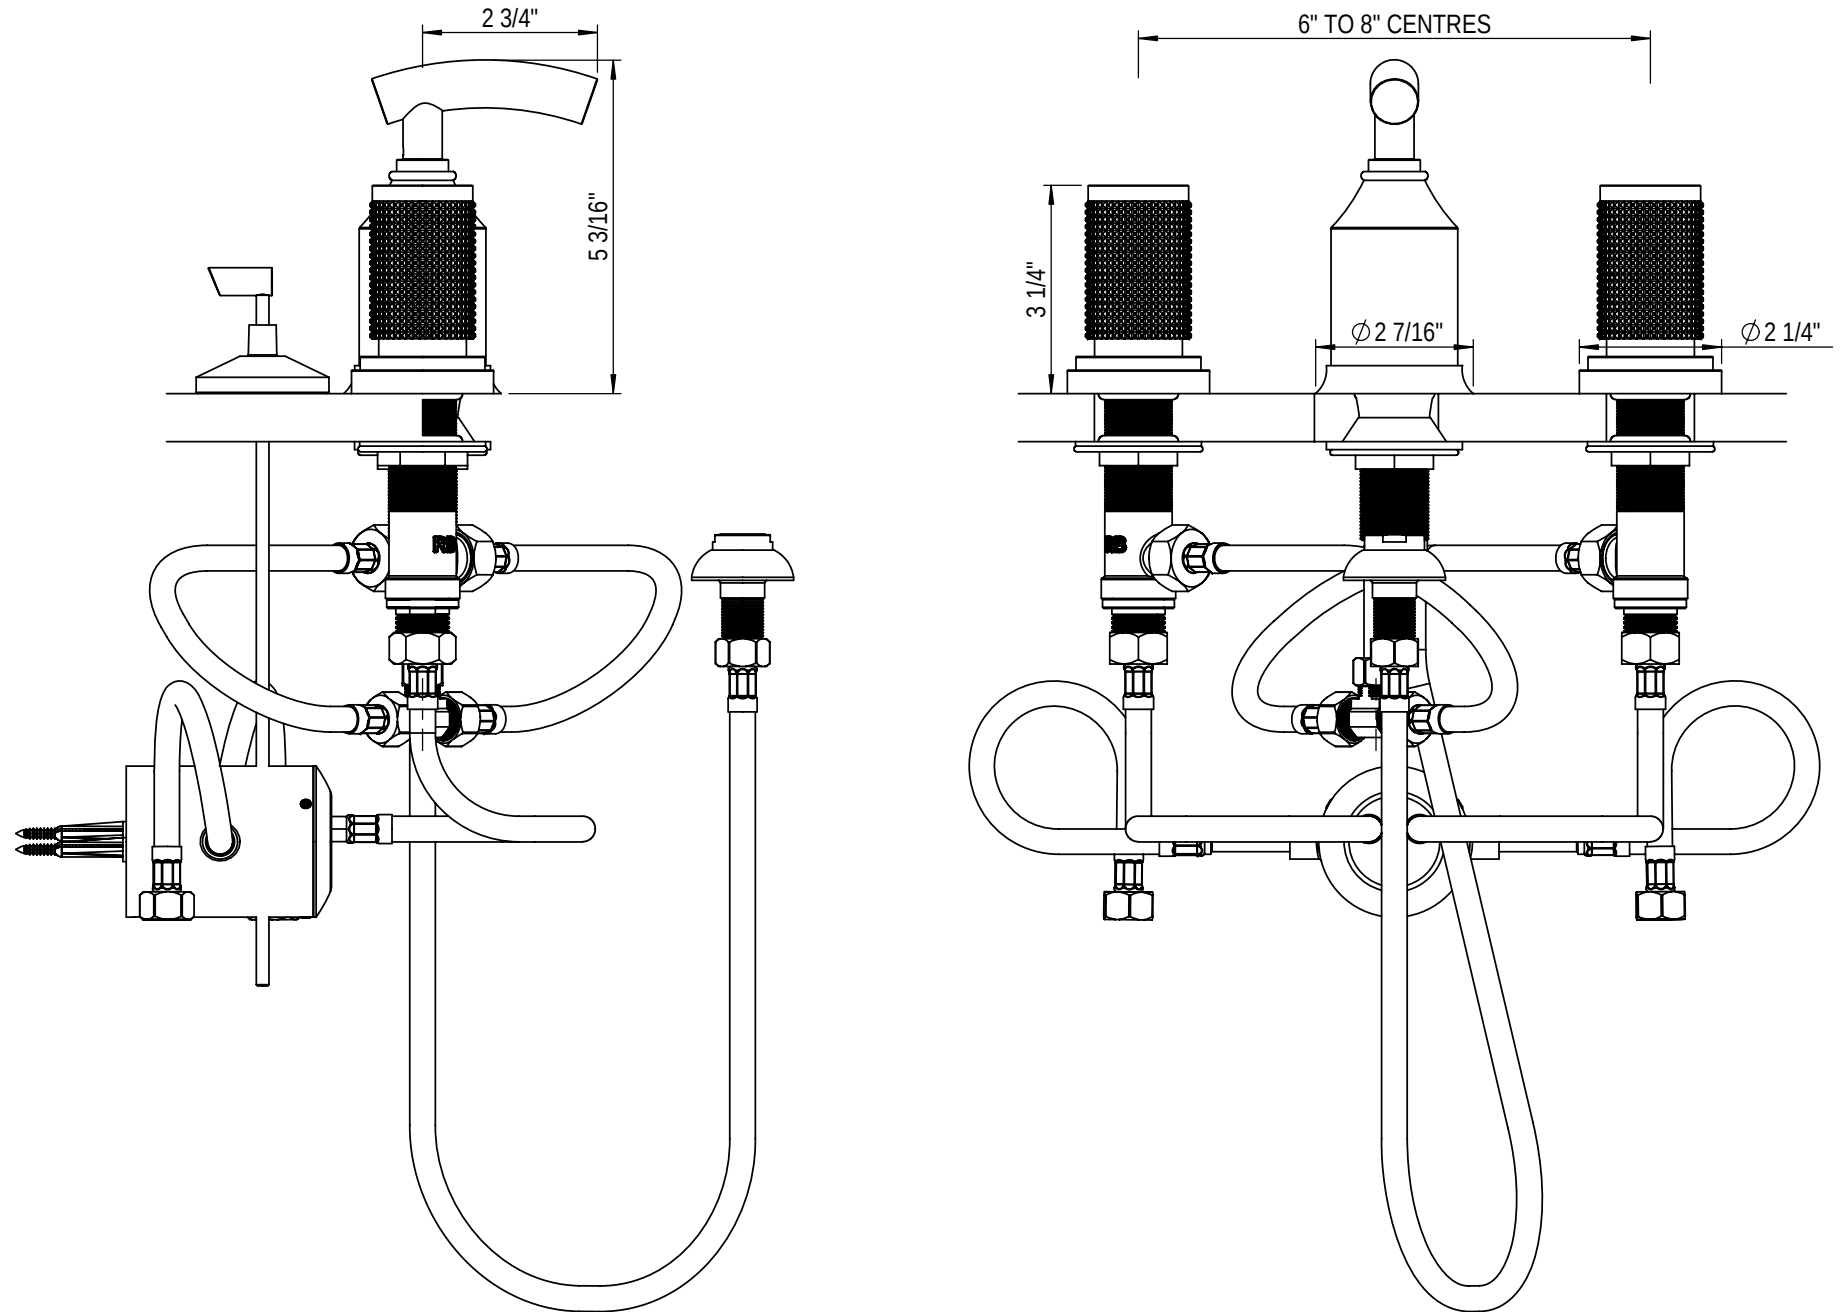

Left Drawing (Side View): Shows the mounting bracket, firearm, and hose assembly. The bracket is mounted to a surface. The firearm is mounted to the bracket. The hose is connected to the bottom of the bracket. The dimension $2 \frac{3}{4}"$ is indicated for the width of the bracket.

Right Drawing (Top View): Shows the three mounting points and their dimensions. The dimensions are:

- Overall width: $2 \frac{7}{16}"$
- Overall height: $5 \frac{1}{8}"$
- Mounting hole diameter: $\phi 2 \frac{1}{4}"$
- Mounting hole spacing: $6" \text{ TO } 8" \text{ CENTRES}$
- Mounting hole offset: $3 \frac{1}{4}"$
