NOTE: See electrical specifications page for electrical requirements of options.

# Yume MTDS-134

52" x 52" x 35.5"

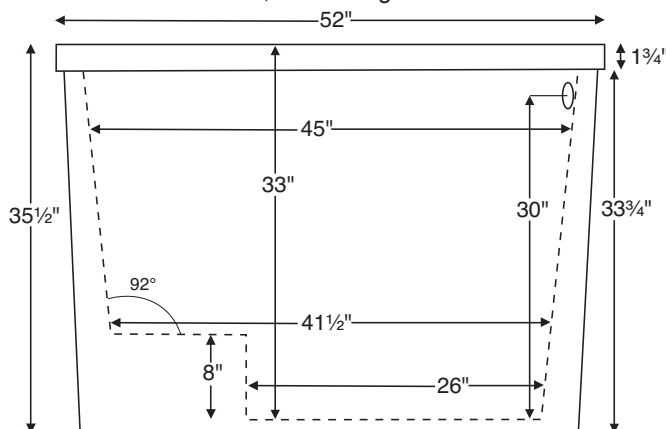

Freestanding Tub

**IMPORTANT:**  
Must have access  
to the drain from  
underneath the  
tub for installation  
and servicing.

All MTI freestanding tubs use wall-mounted or freestanding faucets. The waste and overflow assembly is concealed between the walls of the tub, eliminating the need for a decorative exposed drain kit.

Before ordering  
or installing,  
please consider  
future access  
to equipment.

### INSTALLATION: MUST HAVE ACCESS TO THE DRAIN FROM UNDERNEATH THE TUB FOR INSTALLATION AND SERVICING.

Measurements are  $\pm 1/2"$  and are subject to change without notice. Data herein supersedes all previous prior to publication date shown below.

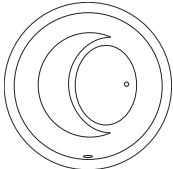

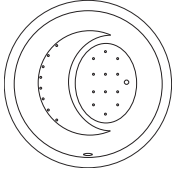

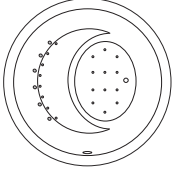

Tubs with more than one pump or blower will require additional service access.

# Yume MTDS-134

52" x 52" x 35.5"

All packages with air bath include a timer for added safety..

Soaker	Soaker (S134)		<b>IMPORTANT:</b> This tub will come standard with the overflow pre-installed at the factory. Drain is included with the tub for on-site installation. Specify type (Lift & Turn or Toe-Tap) and select finish from those listed below. Must specify at the time of ordering. Price of Drain & Overflow is included in the prices of the tubs to the left.  <b>IMPORTANT:</b> Must have access to the drain from underneath the tub for installation and servicing.
