NOTE: See electrical specifications page for electrical requirements of options.

Versailles MTDS-145

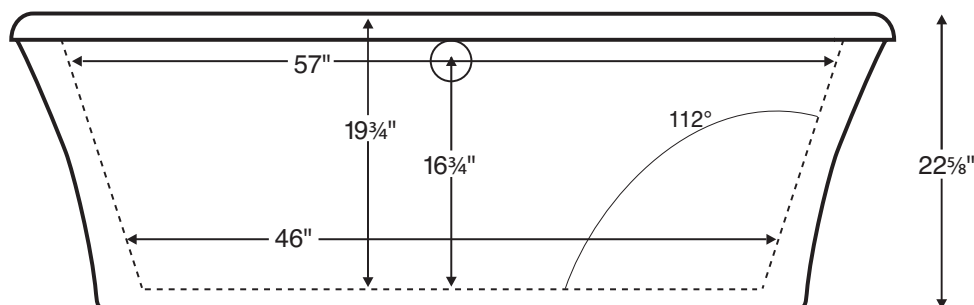

66" x 35.75" x 22.625"

Freestanding Tub

Requires use of a wall-mounted or freestanding tub filler. The drain and overflow assembly is concealed between the walls of the tub, eliminating the need for an exposed drain kit.

Before ordering or installing, please consider future access to equipment.

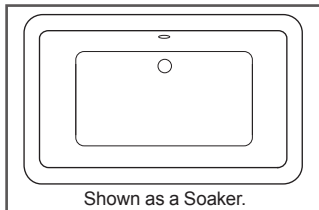

Measurements are $\pm 1/2"$ and are subject to change without notice.
Data herein supersedes all previous prior to publication date shown below.

Versaille MTDS-145

66" x 35.75" x 22.625"

HYDROTHERAPY PACKAGES

Shown as a Soaker.

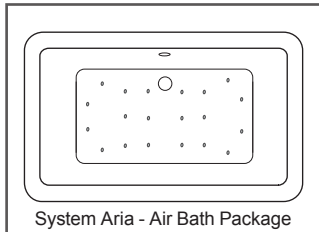

Soaker	
Soaker Soaker with internal pre-leveled foam base	
Part # S145	\$3,954

Note: This freestanding tub has an extruded area on the drain side with an access panel for installation of waste and overflow. If the tub will be viewable from all angles, the access panel may be removed, although the extruded area shown below will still be visible. Elimination of the access panel will make installation slightly more difficult.

Extruded area on tub with access panel.

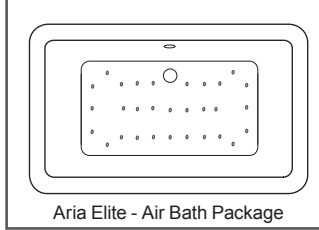

Rear view.

System Aria - Air Bath Package

OPTIONS INFORMATION

Floor-Mounted High-Flow Tub Filler -

Modern design. Blends with most manufacturer's contemporary design lavatory & shower faucets. Fill rate of 15 gallons per minute at 45 psi. Includes hand-held shower with independent valve.

See page D-17 for detailed specifications.

Decorative Towel Bar -

Heavy-duty towel bar is both decorative and functional. Manufactured of high-quality stainless steel for strength and durability. See page D-18 for detailed specifications.

Concealed Air Blower Box -

Designed to hide air blower next to tub when ordered with an air bath package. If tub is ordered as a soaker, it can also be used to mount faucets.

See page D-18 for detailed specifications.
