**INSTALLATION INSTRUCTIONS ARE AVAILABLE.**

**PRODUCT Specification** . . . Vizza Vessel is manufactured of 18 gage Type 304 stainless steel. Overall dimensions are 18-1/2" x 18-1/2" x 5" (470 x 470 x 127 mm). The sides are trapezoid shaped. The bottom of the vessel is tapered to a smaller 14-9/16" (369 mm) square dimension. The inner bowl is 14-1/2" (368 mm) square and 4-9/16" (116 mm) deep. The basin features a 2" (51 mm) thick rim. The rim can be manufactured with a Mira (high polish) stainless steel finish.

**PLUMBING Specification** . . . Vessel rests on top of a counter (not included) and is attached by way of a mounting ring on the underside of the counter that marries to connection studs and is secured in place with wing nuts. The basin features a centered 1-1/2" (38 mm) diameter opening for a drain (drain not included). Faucet, P-trap and counter not included.

\*\* The ornamental design of the Vizza Vessel is patent pending.
